

# RENAULT TRUCKS MASTER RED EDITION ONLY FROM RENAULT TRUCKS

Meet the Renault Trucks Master Red EDITION, the new range of Renault Trucks commercial vehicles from 3.1 to 6 tonnes GVW.

**Designed by professionals for professionals, it comes with many items of standard equipment for greater comfort, efficiency and safety.**

## ✓ DESIGN & EQUIPMENT

New front panel, new interior colour scheme, new equipment, new technologies, new driver assistance systems and more. Renault Trucks Master Red EDITION has been fully redesigned to help you work more efficiently under the safest possible conditions.

## ✓ MODELS & ENGINES

All configurations are available to meet your activity's needs and requirements; single and double cab, single and double chassis or platform cab. Whichever model you choose brings the benefits of powerful new, ultra clean Euro 6 step D light and heavy duty, and more fuel efficient engines (from 130 hp to 180 hp), as well as a zero emission FWD, RWD and 4x4 Oberaigner option - the complete solution.

## ✓ SERVICE & MAINTENANCE

Choosing Renault Trucks means having your own personal partner at your side throughout your vehicle's entire operational life. This personal assistance covers choosing the model and equipment your business needs, after-sales service and liaison with the workshop or bodybuilder. Take advantage of all the professional services available, tailored repair and maintenance contracts, finance options, on-board telematics as well as 24/7 truck service through a vast network throughout Europe, always at your service whenever and wherever you need them.

## READY FOR BUSINESS

At Renault Trucks, our tailored solutions mean we can deliver the best Renault Trucks Master for your business, from 3.1t to 6t GVW, with the efficiency, manoeuvrability, reliability, and safety you need built in.

Power from 2.3 litres Euro 6 engines up to 170ps with robust and proven 6 speed gearbox, and our award-winning full electric Z.E.versions, ideal for urban challenges.

We offer factory built bodies and drive-away options from our 'Ready for Business' range as well as a fully customised solution. Working in partnership with our Approved Partner Programme or your own converters to build a Renault Trucks Master for your application.

## VANTELLIGENCE

Now available with VANTELLIGENCE, our fleet management tool that helps with compliance and reduces operating costs.
